

What support is used at Harefield Primary?

Interventions we use	Focus for the intervention	How it works	Age it is used with	Timings of the intervention	How you can help at home if your child finds this area difficult
Maths					
1 st class @ Number	Practices number and calculation skills	Children have small group teaching with a trained TA. They work on practicing maths basic skills e.g. ways to make 10 and 20, adding coins, counting in 2s and 10s	KS1, groups of 4. Also Yr 3 children who are still working on KS1 curriculum.	2-3 times a week for 30 mins. 30 sessions in total	Times Tables Rockstars Practice number facts in a quiz e.g. quick fire questions in the car on the way to school Use magnetic letters, coloured pens, playdough to make number facts Practical maths: weighing ingredients for cooking, telling the time, working out the cost of shopping
Precision Teaching	Teaches number bonds and facts to improve fluency	Children have a small number of number facts to work out over and over in one minute. Each day, they should improve on the number they get right. They colour in a graph to show their growing score.	Any year group, 1:1	4-5 times a week for 5 mins	Online activities: https://mathsframe.co.uk/en/resources/category/22/most-popular https://www.topmarks.co.uk/ https://www.mathgames.com/math-games.html
Third Space	Adapts and targets gaps in the maths curriculum	Children log onto the computer and talk to an online tutor who works through maths examples with them. The examples are based on an assessment that the child completes online.	Focus on Year 6 but other children can access it	Once a week for 30 mins

Reading					
Precision Teaching	Teaches tricky words or phonic sounds to improve fluency	Children have a small number of words/sounds to read over and over in one minute. Each day, they should improve on the number they get right. They colour in a graph to show their growing score.	Any year group, 1:1	4-5 times a week for 5 mins	With younger children, practice reading signs, posters etc when you are out and about Read regularly to your child and talk about the story, the characters and what happened. Make predictions about what will happen next.
Dancing Bears	For children who need help reading short phonetic words	Children practicing breaking up short phonetic words and then blending the sounds together.	Children with a reading age of 5-7	1:1, 3-4 times a week for 10-15 mins	Go to the library and borrow books Listen to stories on Audible Nessy Reading and Spelling is an online program which practices reading through games. It costs £9 a month. https://www.nessy.com/en-gb/shop/home-products
Little Wandle Keep Up	Teaches and practices phonic sounds	If children are finding keeping up with the pace of class phonic lessons, they have additional small group work to go over sounds they are unsure of and recap. This is in a small group using flashcards and games.	Year 1 children who are need additional phonics support	Most days for 15 minutes	Phonics Play is a website with phonics games. You can subscribe or some are free to play at https://www.phonicsplay.co.uk/resources We use Little Wandle phonics to help children to read. If you want to support your child with phonics, there is help at https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/#tabnametabSupportForPhonics
Little Wandle Rapid Catch Up	Teaches and practices phonic sounds	Children have flashcards to read, whole words to read and then phonetic books to read in a small group.	Year 2 and 3	Small group daily for 20 minutes
